

A black and white line drawing of a forest scene. In the foreground, a stream flows over several large, smooth rocks. The water is depicted with simple horizontal lines. The banks of the stream are covered with various types of vegetation, including small plants and grasses. In the background, a dense forest of tall, slender trees with full, rounded canopies rises up a gentle slope. The sky is filled with soft, wispy clouds. The overall style is that of a classic children's book illustration.

prevail: Let the nations be
