

A black and white line drawing of a forest scene. In the foreground, a stream flows from the left towards the center, with several large, smooth rocks scattered along its banks and in the water. The water is depicted with simple horizontal lines. The background is filled with tall, slender trees, likely evergreens, with dense foliage. The overall style is that of a hand-drawn sketch or a simple line art illustration.

**Let my sentence come forth
from thy presence; Let thine
eyes look upon equity.**
