

A detailed black and white line drawing of a forest landscape. In the foreground, a stream flows from the left towards the center, with several large, flat rocks protruding from the water. The water is depicted with simple, wavy lines. The banks of the stream are covered with grass and small plants. In the background, a dense forest of tall, slender trees with full, rounded canopies rises up a gentle slope. The trees are drawn with fine lines for the trunks and more textured, shaded areas for the foliage. The overall scene is peaceful and serene.
