

A black and white line drawing of a forest scene. In the foreground, a stream flows from the left towards the right, with several large, smooth rocks scattered along its banks and in the water. The water is depicted with simple horizontal lines. The background is filled with tall, slender trees, possibly pines or firs, with dense, needle-covered branches. The sky is visible through the canopy of the trees, showing some light clouds. The overall style is that of a traditional woodcut or a detailed line drawing.
