

A black and white line drawing of a winter scene. In the foreground, a stream flows over several large, flat rocks. The water is depicted with simple wavy lines. The banks of the stream are covered in snow. In the middle ground, a dense forest of evergreen trees stands, their branches heavily laden with snow. The trees are drawn with detailed needle patterns. In the background, a large, craggy mountain peak rises above the treeline, also covered in snow. The sky is not clearly defined, with some light shading suggesting a bright, overcast day. The overall style is that of a classic children's book illustration or a religious poster.
