

A detailed black and white line drawing of a forest landscape. In the foreground, a stream flows from the left towards the center, with several large, angular rocks protruding from the water and along the banks. The water is depicted with simple, wavy lines. The background is filled with a dense forest of tall, slender trees with thick trunks and full, rounded canopies. The drawing style is reminiscent of a woodcut or a detailed pencil sketch. The text is overlaid on the middle of the image, spanning across the trees and the stream.

**And he sent out his arrows, and
scattered them; Yea, lightnings
manifold, and discomfited
them.**
