

A detailed black and white line drawing of a forest landscape. In the foreground, a river flows from the left towards the center, with several large, flat rocks protruding from the water. The river is surrounded by dense foliage and trees. In the background, more trees are visible, some with thick canopies. The overall style is that of a traditional woodcut or a detailed pencil sketch. The text is overlaid in the center of the image.

Even the God that executeth
vengeance for me, And subdueth
peoples under me.
