

A black and white line drawing of a forest scene. In the foreground, a stream flows through a rocky landscape, with several large rocks and smaller stones scattered in the water. The banks are covered with various plants, including ferns and small flowers. In the middle ground, a dense forest of tall, thin trees stands on either side of the stream. In the background, a range of mountains is visible under a sky with a few clouds. The overall style is that of a detailed line drawing, possibly a coloring page.

But thou art he that took
me out of the womb; Thou
didst make me trust [when I
was] upon my mother's
breasts.
