

A black and white line drawing of a mountain range. The central mountain is the tallest and most prominent, with sharp peaks and detailed line work showing its rocky texture. To its left and right are smaller, similarly styled mountains. In the upper left corner, a simple crescent moon is drawn. The foreground shows the base of the mountains with some horizontal lines suggesting a body of water or a flat plain. The overall style is that of a hand-drawn sketch or a simple illustration.

The voice of Jehovah  
breaketh the cedars; Yea,  
Jehovah breaketh in  
pieces the cedars of  
Lebanon.
